Our commercial solar battery storage systems are designed to enhance energy efficiency, reduce costs, and provide reliable power solutions for various commercial applications.

We have street light pole workshop, solar panel workshop, LED lamp workshop, lithium battery workshop, powder painting workshop and laser cutting workshop, with more than 200 workers.

With 5-7 acres of illumination and stability to stand up to extreme weather conditions, this light tower will give you what you want and then some.

With four 320-watt lamps producing 166,400 total lumens, this unit will illuminate a 2-acre outdoor area continuously without refueling for 140+ hours with lights only and 38 hours at full load. This mobile ...
