On Tuesday, clashes broke out between protesters and security forces during a demonstration over electricity outages in the Taouyah District of the capital city, Conakry.

The demonstration was sparked by the persistent lack of electricity supply in their neighborhoods, a pressing issue that has affected daily life and economic activities. The protest quickly escalated into ...

Commercial activities and vehicular movement in a suburb of Conakry came to a standstill due to a protest by a group of young people. The demonstration in the Hamdallaye-Bambéto area on Tuesday was ...

CONAKRY, GUINEA -- Guinean authorities on Saturday announced that the head of its national electricity company had been sacked after repeated power cuts sparked deadly protests in the military-ruled ...

Guinea finds itself in the grip of an escalating electricity supply crisis, underscoring the urgent need for decisive measures to address the country's pressing energy challenges.

Au cours des dernières semaines, plusieurs quartiers de Conakry ont été touchés par des coupures d"électricité, affectant la vie quotidienne de milliers d'habitants.

Depuis plusieurs mois, les habitants de Conakry font face à un délestage dans la desserte du courant électrique.

Depuis la fin 2023, les coupures de courant se sont intensifiées, notamment à Conakry. Face à ces conditions de vie dégradées, la colère des habitants éclate régulieèrement.

Low rainfall in Guinea has led to yet another round of loadshedding and, in turn, widespread protests and deadly violence.

Electricity safety conakry

L'objectif du projet est l'amélioration de la disponibilité, la fiabilité, l'efficacité et la qualité des services de l'électricité dans la zone du projet.
