This article explores the most common solar panel scams, provides tips to recognize red flags, and offers guidance on protecting yourself from fraudulent solar companies.

Unfortunately, fraudulent solar contractors have taken advantage of this demand, luring consumers into misleading contracts, overcharging for installations, or even failing to complete projects altogether.

Scammers across the U.S. are going door-to-door, pitching "free" solar energy systems. Many homeowners never get any solar equipment ...

Scammers across the U.S. are going door-to-door, pitching "free" solar energy systems. Many homeowners never get any solar equipment installed; those who do often get shoddy work.

These scams start with an unexpected phone call, message on social, or even an in-person visit. The so-called official offers you an "energy audit" to reduce your utility costs. Or they might try to sign you up for a "free" ...

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading claim.

Learn how to spot solar panel fraud, avoid predatory contracts, and take action if you've been scammed, with guidance from Prevost Law Firm.

That's why we put together these tips to avoid getting ripped off when buying solar panels -- backed by expert advice. Here's how to dodge solar panel scams and identify red flags.

While you are browsing solar power companies, one of them may ...

Photovoltaic panel contracting scam routine

The three most common solar scams are so-called free solar panels, requests for detailed personal or financial data right away, and misleading contracts.

Legitimate solar savings come from reduced electricity bills, not from special programs or guaranteed tax payouts. You can be an informed solar shopper and increase your chances of avoiding ...

To avoid getting scammed, you need to know what to look out for and when to walk away. Here's our guide to spotting solar panel scams and finding a great installer.
